- Kudos to the Beach Clean-Up Civics Club students. The volunteers were risk-takers as they presented to raise awareness of the importance of caring for the environment at the Third Thursday Lunchtime Speaker Series on November 19th. Well done!
- Remember that the school uniform includes all outerwear to be SOLID blue, white or khaki. If students continue to come to school in uniform, the Friday before Winter Break will be a free dress day!
- REMINDER: During lunch, students are not allowed in the area in front of the 500 building.
- 8th graders, remember to complete your Portfolio reflections upon finishing your work and to document and save evidence of all community service that you plan and participate in.
- If you need ideas for service visit <http://pbmiddle.sandi.net> and click on IB then click on Community & Service.
- This year's Holiday Food Drive has begun. Donate non-perishable canned or packaged foods (no glass) to the San Diego Food Bank for through your 4th period class to win a pizza party! You can also earn 5 minutes of service for each item. The winning class will be chosen by percentage (42 items/30 students = 140%). The last day is December 15th. Pizza party will be Dec. 18th. For more info- see Becca Partida.
- Builders Club Board meeting at lunch on Tuesday and Wednesday. Bring your food, meet in IB office.
- Congrats to students, staff, and Builder's Club UNICEF Coordinator Norma Gutierrez. PB Middle raised a grand-total of \$442.53 for UNICEF's Children in Uruguay Project. Check out the IB community & service webpage to read the list of top student donors who will receive certificates. Mrs. Parr's, Ms. Martinez', Mr. Swigart's fourth period classes won the grand-prizes.
- Mission Bay Girls Softball League. Who can play? Any girl, from any community, between the ages of 5 and 15 years. Mission Bay is a recreational league with a focus on fun and skill development. See Ms. Martinez for more information.
- Why UNICEF? Do you know that somewhere in the world every 15 seconds a child dies from lack of clean-water and sanitation? A one day supply of water costs only 6 cents. How many bags of 1 day emergency supply of water would our UNICEF donation of \$442.53 buy for the children in Uruguay? Do the math.
- You are invited to attend the next lecture in the lecture series at Hubbs-SeaWorld Research Institute Science Seminar Thursday, November 19th at 12 noon at Shedd Auditorium at the Hubbs-SeaWorld Research Institute This lecture is free and open to the public.
