3838 Kendall Street, San Diego, 92109**

What is a Goldraiser??

Rock-n-Gold has been in business in San Diego for over 16 years and has been recommended/featured on Channels 10, 8 and Fox News. A Rock-n-Gold Creations representative will evaluate the items based on gold content and weight. Participants will be offered competitive prices that are aligned with the current scrap precious metal markets. With no obligation you are given a cash price for your items. Upon your approval Rock-n-Gold Creations will issue payment for your items. Rock-n-Gold Creations will then make a 12% donation to Friends of Pacific Beach Secondary Schools. This is a great way to receive competitive prices for your items while helping the environment as RGC uses a waste free refining process. Most importantly, you will be benefiting your schools to better the educational atmosphere.

What should I do?

- 1.) Look in your drawers and jewelry boxes for any unwanted items. All Gold & every karat amount is accepted – even dental gold, platinum, sterling silver (serving/flatware) in any condition.**
- 2.) If you plan on bringing items to the social please RSVP to Pam Deitz @ deitzfamily@earthlink.net by August 28th to ensure adequate event staffing by Rock-n-Gold Creations. Please note: You may also bring in items for friends and family to be evaluated. It is OK to call them from the event once their items have been evaluated to get their approval on pricing.
You do not have to bring items to the Goldraiser to join in the fun!**
- 3.) Bring your items to the social. Enjoy friends and celebrate one of the last evenings of our fabulous summer while your items are being evaluated.**
